The Spectra Training Difference

Spectra's Dynamic Training System offers the unique experience of group and individual training delivered in workshops and on the job. This system ensures practical application of learning in your workplace so staff enjoy training and can apply skills and knowledge.

- > Spectra Training engages with workplace mentors to ensure the training provides real benefits and improvements that help retain staff and add value to your business.
- > Our trainers are industry experienced professionals who can ensure measurable outcomes.
- > Minimal disruption to your operations as we understand day to day work pressures.
- > We engage directly with industry and implement training strategies that will respond to industry's specific needs using our in-house instructional design writers.
- > Hands on support for individuals as some staff need additional training assistance.

ICP31315 CERTIFICATE III IN PRINT MANUFACTURING

Course Overview

This course is designed to deliver the formal training component of an Australian Apprenticeship in Print Finishing. During the course, participants will learn to apply solutions to a range of industry related problems, encompassing different equipment, systems and processes, and to analyse and evaluate information from different sources. Participants will develop skills and knowledge of Print Finishing and its position within the Printing and Graphic Arts industry workflow. Participants will also learn how to practically implement this learning in the workplace.

Delivery and Assessment Methods

Delivery is a combination of group workshops and one-on-one sessions. Assessment tasks typically include on-the-job observation and questioning, in-class activities and workplace based projects.

Entry Requirements

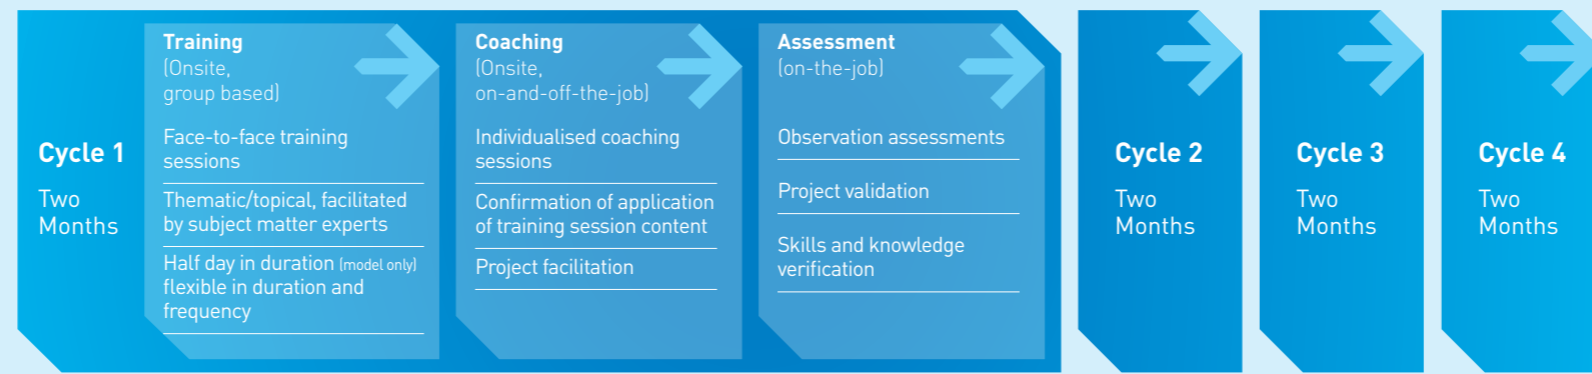

Participants must be employed as an apprentice within the Printing and Graphic Arts Industry. Participants also require basic levels of language, literacy and numeracy skills, equivalent to Year 9 of compulsory schooling as a minimum.

Duration

This program is typically delivered over a 36 month period, however this will vary according to client needs and will be negotiated during the consultation process.

Pre-training Review

Prior to the commencement of training, a pre-training review will be undertaken to ascertain the participant's current levels of language, literacy & numeracy (LL&N), eligibility for skills recognition/recognition of prior learning and if any specific support needs are required.

Mentor Induction and Engagement

Spectra Training believes that it is very important to have effective workplace mentors from your business engaged in this learning. This ensures that the knowledge and skills are reinforced throughout the program and that the participant progresses through and completes the course. Workplace mentors are comprehensively inducted into the program so their roles and responsibilities are well understood.

Pathway / Careers

Successful completion of this program can lead to further career opportunities in the Printing and Graphic Arts Industry and vocational settings.

Further study can be undertaken in the Certificate IV in Printing & Graphic Arts (ICP40115).

Access and Equity

Spectra Training is committed to ensuring people with special needs have equal opportunity and access to its courses. Spectra Training is committed to identifying and supporting the learning needs of each individual and encourages people of all abilities to apply to undertake learning.

Fees and Charges

Information about course fees and charges can be found in the National Fees Booklet available on the Spectra website: www.spectra-training.com.

Spectra's Refund Policy is also published on the website.

Eligibility / Government Funding

Spectra Training is a national provider of workplace training (TOID 21356). For eligible participants, this training may be partly funded by your State/Territory Government in partnership with the Commonwealth Government.

If accessing this funding students may not be eligible for further State and Commonwealth Government Funded Training.
